PARTNER WITH US

SPONSOR THE LARGEST HARM REDUCTION GATHERING IN THE UNITED STATES

Harm Reduction Coalition invites you to sponsor the 12th National Harm Reduction Conference on October 18–21, 2018 at the Marriott Hotel in New Orleans, Louisiana.

The National Harm Reduction Conference is the most widely attended harm reduction gathering in the country and the only conference of its type in the United States. Every two years, we bring together over 1,500 leaders, decision makers, frontline service providers, community activists, and people who use drugs and their allies from multiple fields concerned with the health and human rights of people affected by substance abuse. Plenaries and panels provide attendees with an innovative, dynamic venue to learn the latest information and tools to address the many critical issues affecting people who use drugs including hepatitis C, HIV, overdose, drug treatment, stigma, and incarceration.

The National Harm Reduction Conference is renowned for its unique networking opportunities, providing an unparalleled opportunity to build partnerships and gain visibility within the growing harm reduction community. In 2016, Harm Reduction Coalition hosted the largest National Harm Reduction Conference to date: over 1,500 people from 44 states and more than 27 countries participated in 161 educational panels, workshops, roundtable discussions, poster presentations, and plenaries, in addition to a vibrant, at-capacity exhibition hall.

Sponsoring the National Harm Reduction Conference is the single most effective way to connect with people who use drugs and those that serve them. The conference provides unique access to harm reduction service providers, advocates, researchers, clinicians and health departments, who return to their communities invigorated to share best practices, new strategies and innovations. Each harm reduction organization attending the conference reaches thousands of people affected by drug use.

If you need additional information or have questions, visit harmreduction.org/conference or contact Maria Chavez directly by email: chavez@harmreduction.org or by phone: (510) 206-4328
